

**Egremont Board of Health**

**Thursday July 11, 2019, 10:00 am**

**Egremont Town Hall**

**Members Present:** Charles Ogden (Chair), Dr. William Rose

**Recording:** Juliette Haas, Director

- 1) Chairman Ogden called the meeting to order at 10:09 am. The minutes from the June 20, 2019 meeting will be reviewed and accepted when quorum of those present is met.
- 2) **Prospect Lake Campground** An odor complaint by abutter was recently investigated. Director Haas spoke to campground owner Jim Palmatier about his fire ring burning policy. He will have it incorporated into his camper handout material next year.
- 3) **French Park No Smoking Signage** Larkin Signs will be contacted about sign order. Three signs with the following will be printed "No Smoking or Vaping Permitted in French Park per order of Egremont Board of Health". Signs will be white with dark green lettering. Board will approve final proof at next meeting.
- 4) **DeLacy/10 Prospect Lake Road** Homeowner's lawn continues to be cut.
- 5) **Kemp/66 Creamery Road Jr.** Wilkinson Construction installed a Rejuvenator system at this property. Another inspection will take place to assess change. Board asked that information on the Rejuvenator system be emailed to them.
- 6) **Recent Field Work:**
  - Title 5/5 and 5A Creamery Road/pass
  - Perc/Creamery Road/new construction
  - Perc/Baldwin Hill North/new construction
  - Title 5/15 Ox Box Rd/pass
- 7) **Albano/Sheffield Road** Homeowner is enlarging house and enlarging septic system. Board approved small tank as installer has stated ledge on property makes installing a larger one impossible. Because of the smaller tank, board will require a pumping schedule of no less than once every three years.
- 8) **Myer/5 Tyrell** Board reviewed plans for complete septic upgrade submitted by White Engineering. The following Local Upgrade Approvals were approved: setback reduction from tank and leach field to wetland and tank to well. Board would like to hear from the Conservation Commission regarding the reductions to wetlands LUAs before voting on this.
- 9) **Barnes/219 Egremont Plain Road** Board reviewed approved plans for a complete septic upgrade submitted by Berkshire Engineering. Plans will be forwarded to the Conservation Commission for their review as part of the work will be done within their jurisdiction.
- 10) Meeting adjourned at 11:15 am. The next meeting will be July 25 at 3:00 pm instead of the usual 10:00 am.
